INFORMATION

ABOUT

In this workshop, we learn about how to **structure a teaching and learning experience** based on flipped classroom to foster students' learning. Two main approaches will be discussed: just-in-time teaching and team-based learning. Following a flipped classroom approach, the workshop will focus on discussing ideas and practicing the design of flipped classroom sequence.

CERTIFICATE

Participants will receive a **certificate** if they join **2 additional workshops** OR **1 Class Design & Microteaching workshop**.
